Mr. Magnus Christiansen
Larimore, North Dakota

Dear Mr. Christiansen:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 2, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Dear Mr. Christiansen:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Dear Mrs. Christiansen:

The Army Effects Bureau has received from overseas some personal effects of your son, Private Christ A. Christiansen.

On April 23, the property was mailed to your son's widow, Mrs. Edith Christiansen, 6925 Mission Street, Daly City, California. However, the package was returned marked "moved."

In accordance with Article of War 112 which governs the disposal of personal effects of deceased military personnel, the widow precedes the mother in entitlement. Therefore, if possible, we would appreciate your furnishing us Mrs. Edith Christiansen's present mailing address so the property may be forwarded to her. For your convenience in replying, there is inclosed an addressed return envelope which needs no postage.

For your information, the forwarded of property by this Bureau does not, of itself, vest title in the recipient. It is forwarded merely for distribution in accordance with the laws of the state of the soldier's legal residence.

I assure to express my sympathy in the loss of your son.
